

Create Your Own Calendars @ Amazing Prices

At very reasonable prices we can design, produce and print your company its own "bespoke" custom made calendar.

Calendars can be printed from either your own artwork and images (we can email full specifications & templates) or our artwork department can create your artwork and inexpensively buy royalty free images if required from a site called <http://www.doubleimage.co.uk/photos/> which you can browse and find suitable low cost images on.

28 page or 16 page / A4 or A5 booklet calendars are printed in full colour throughout on 150gsm art paper. Stapled across the middle fold like a booklet. 1 month or 2 months per page with front and rear cover and two spare internal pages. Prices include 80gsm manilla envelopes, delivery to one UK location, supplied artwork checks. All prices may be subject to VAT?
